

## Pottery Painting Color Chart

How to read the color tiles: Top Left= 1 brushed on coat of paint. Bottom Right=2 brushed on layers of paint.

Pottery Paints are the only Paints for your Pottery pieces. HFA is not responsible for the outcome of your pottery pieces should you use other paints.

\*\*\*\*Don't forget to add your color choices by number in the notes section at the bottom of the payment page! Need brushes? No problem! Just let us know in the notes section.

### Speckled Colors

Little flecks of other colors on the color.

### Shimmer Colors

Little flecks of silver glitter in each color.
